Family Biking Itinerary

Superior is the perfect place to take the family for a two-wheel adventure.

Whether you're cruising scenic trails, grabbing a waffle downtown, or racing to the next stop on your summer bucket list, this lakeside city is ready to roll.

Morning Ride + Fuel Up

- **Millennium Trail**
  Start your day with a gentle cruise along the paved Millennium Trail. It's perfect for younger riders and parents pulling trailers. Keep your eyes peeled for deer, hawks, and the occasional wild turkey. Gobble, gobble.

- **Superior Waffles**
  After your ride, head to Tower Avenue and refuel with sweet or savory waffles - every kind of waffle, any way you could want. They even offer dairy-free, gluten-free, and keto-friendly options.

Midday Cruising + Refueling

- **Osaugie Trail**
  Hit this paved waterfront path for gorgeous views of Lake Superior, cool breezes, and easy biking for all ages. Don't forget to wave at the passing ships!.
  GPS

- **Thirsty Pagan**
  Head inland for award-winning pizza and Wisconsin-brewed root beer for the kiddos, served in the historic Soo Line Depot.

Afternoon Adventure Stops

- **Billings Park**
  Cruise the trails around Billings Park, and when you're done, run free! This riverside gem is beautiful and boasts well-kept playgrounds, picnic areas, and lots of space to stretch. You might even catch a kayak launch or paddleboarder cruising by.

- **Makwa Ziibiins Miikana (Bear Creek Trail)**
  Quiet, green, and so friendly, this rideable hiking trail has 40+ wooden bridges all numbered and ready to be counted. This out-and-back trail leads to Wisconsin Point beach (the best-kept secret beach in the Twin Ports. Shhh, be cool).

Cool Down + Wind Down

- **Sweeden Sweets**
  Wrap up the day with homemade ice cream and retro candy. Bonus: They have the best waffle cones in town.

Made in the Shade

Take a break from fun in the sun. Superior's got indoor family activities to help you cool off and play in the shade.

- **Superior Funland (Mariner Mall)**
  Clean, colorful, and made for fun - this indoor playground is ideal for toddlers and young kids to explore and play. Plus, there's a huge bouncy floor (you'll see what we mean).
